### PROVIDENCE.

The Oidest City in Rhode Island Founded by Roger William :.

A Quaint New England Town Tied to the Present by Trolly Cars.

> [From our regular Correspondent.] Providence is the capital of Rhode

This city is situated on an arm of the Narraganset Bay which is not very wide but long and jugged. Provide ce rises rather abruptly to a lofty terrace from the bay. Wa king along under the locust trees which hung full of red blessome, cherry, borsechestnut and walput, which pleasantly shade the brick paved streets, one feels transported back a couple conturies to the coloniat period, the trolley care bringing ones thoughts to the precent, while the color in style of the residences which are celached with grounds around and ed tinte, were trailing against the

w-litt pe soon carry us back again. lences sieo St. Stephen's Episor pal urch which is very suggestive of an to New E gland mee ing house with test sestructur , Corato an columns and tall ste-pie with a clock and seathercock; further alog is the tthenseum, a building suggesting a clure, it has a vine covered front.

In front of the Athena um is a drink ng fountain where the tred pedestrian as refresh himself, ver it are the sor a "Come unto me everyone that the ratesh." There are also nice residences on Prospect street. On Brown street was a flock of the familiar northern sparrows, one on a fence looked at us in open defiance as we passed by h m. Ne r the Union depotis a minu-ment of Gen. Buildede on his horse in broi z- standing on a granite base.

In the mark-t were all kinds of veget-

ables in barre's and baskets. On one of the streets is a bronz, at the of Columbus. The names of some of the streets are Penty, B, ron and Da mouth. The ride on o e of the trolley is a from the heart of treetity to R wer Williams park is deli, htfut, past the presty homes ith their static exterior appearances. R ger Williams park contains 102 acres and was bequesthed in 1871 to the city by B-tsy Williams; in it is a beautiful bronze monument of R ger Williams naiding a book in his hand on which "soul Liberty" and beneath on the granita pedestal is liberty writing the ama R ger Williams and at her feet a

shi-id, books and a leurel wreath.

Trere is a good menageric here and
the park will be beautiful when be
sumerous young shadet ees have grown

o maturity.

Providence was named by R ger
Williams and founded by him in 1636, Suchem Canonicus; the place was per-ually burned in 1675 by King Philip's At one time Providence main tained a go d trade with China and the

E at Indies.
One of he finest buildings of its kind ost \$1 000,100 and is built of granne; in root is a soluters and sailors monument recied by he state in 1871. The State House is a plain brick e outure and was built in 1762. The principal stores for trading are an Wastminster street. Br wa notversity was founded in Warren i 1764 and removed to Providled in honor of Niccolas Brown who wie are of the price pal benefactors. It is a Bept st university but unsectaring its management. It is breated on

College but and numerous buildings are In 8h de I-land hall is Jenk's museum of z ology, the arra gement is accord-ng to the modern method of classificaon, beginning with lover invert-brates nd e dirg with mammals; in it, sepa ate from the synopsic collection, are local

hections representing the fauna of Roode Island. There are various courses of Instruction in the sciences as d fire arts, an extensive opportunity is given to study a arge comber of ancient and movern Norwe ian, the of jet of teaching many f them b ing to suble the sc ours east the master-pieces of literature in
